PROCLAMATION OF CONTINUING LOCAL EMERGENCY FOR THE SONOMA COUNTY FIRE DISTRICT, COUNTY OF SONOMA, STATE OF CALIFORNIA

WHEREAS, California Government Code sections 8680.2, 8680.3 and 8680.9 empower the Board of Directors of the Sonoma County Fire District (District), as a "local agency", to proclaim the existence of a local emergency under the California Disaster Assistance Act when the Governor of California determines a disaster, including, but not limited to, a fire or similar public calamity, presents a threat to public safety; and

WHEREAS, on August 18, 2020, the Director of Emergency Services of the County of Sonoma issued a Proclamation of Local Emergency due to the Walbridge and Meyers Fires within the jurisdiction of the District, which have been incorporated into the Cal FIRE managed LNU Lightning Complex Fires; and

WHEREAS, on August 18, 2020, the Governor of California issued a Proclamation of a State of Emergency for the entire State of California due to the statewide wildfires, including the LNU Lightning Complex Fires, finding that local authority is inadequate to cope with the magnitude of the damage caused by these fires; and

WHEREAS, the Proclamation of a State of Emergency issued August 18, 2020, suspends applicable provisions of the Government Code and Public Contracting Code, including, but not limited to, competitive bidding requirements, to the extent necessary to address the effects of these statewide fires; and

WHEREAS, on August 21, 2020, the Board of Supervisors of the County of Sonoma ratified the Director of Emergency Services Proclamation of Local Emergency issued August 18, 2020; and

WHEREAS, on August 22, 2020, the President of the United States issued a Major Disaster Declaration in support of the emergency response efforts of the State of California, counties and local agencies to the statewide fires, including the LNU Lightning Complex Fires; and

WHEREAS, on September 15, 2020, the District Board of Directors issued a Proclamation of Local Emergency due to the Walbridge and Meyers Fires within the jurisdiction of the District; and

WHEREAS, on September 28, 2020, the Director of Emergency Services of the County of Sonoma issued a Proclamation of Local Emergency related to the Shady Fire within the jurisdiction of the District, which has been incorporated into the Cal FIRE managed Glass Fire Incident; and

WHEREAS, on September 28, 2020, the Governor of California issued a Proclamation of a State of Emergency exists due the Glass Fire Incident; and

WHEREAS, on October 2, 2020, the Board of Supervisors of the County of Sonoma ratified the Director of Emergency Services Proclamation of Local Emergency issued September 28, 2020; and

WHEREAS, the Board of Supervisors and District Board of Directors have continued the Proclamations of Local Emergency during the recovery and reimbursement after these fires; and

WHEREAS, the District Board of Directors does hereby find that the circumstance of the multiple wildfires impacting District operations, including the several ongoing proclamations of emergency by the County of Sonoma and Governor of California, as well as the declaration of major disaster by the President of the United States, continue to support and justify a proclamation of continuing local emergency by the District.

NOW, THEREFORE, BE IT RESOLVED AND PROCLAIMED that, in addition to the existing Sonoma County statewide fire emergency, based on the LNU Lightning Complex Fires and Glass Fire Incident, a local emergency continues to exist within the jurisdiction of the District until terminated by the District Board of Directors; and

BE IT FURTHER RESOLVED AND PROCLAIMED that during the continuing local emergency, since fire and emergency medical services are largely governed by the Health and Safety Code, the District renews its request that the County of Sonoma support amendment of the Governor of California's amendment of the Proclamations of a State of Emergency issued August 18, 2020 and September 28, 2020, to add suspension of "applicable provisions of the Health and Safety Code" to these Proclamations of a State of Emergency; and

BE IT FURTHER RESOLVED AND PROCLAIMED that during the continuing local emergency, the District shall authorize, on a case-by-case basis as allowed under the County and State proclamations of emergency, the waiver of various statutes and regulations that may hinder District operations, response and recovery efforts; and

BE IT FURTHER RESOLVED AND PROCLAIMED that the District shall cooperate with Federal, County and State officials to receive all possible response and recovery resources, support and funding, including, but not limited to, from the Federal Emergency Management Agency, State Office of Emergency Services, and the County of Sonoma Operational Area; and

BE IT FURTHER RESOLVED AND PROCLAIMED that, pursuant to Government Code sections 8630(c) and 8680.9, the District Board of Directors shall review the need for continuing the local emergency at least once every 60 days until the District Board of Directors terminates the local emergency.
