Sonoma County Fire District Board of Directors
Staff Report

Date: June 2, 2023

Topic: Authorized Fire Chief to execute Performance Bond issuance documents

Recommendations:

Staff recommends the Board authorizes the Fire Chief to execute documents related to the issuance of a performance bond for the purpose of meeting the County of Sonoma Performance Security requirement for the Emergency Ground Ambulance Transportation contract.

Financial Impact:

The estimated cost of the performance bond is \$25,000.

Background:

The County of Sonoma Request for Proposal for Emergency Ground Ambulance Transportation identified a requirement for performance security. The Fire District is required to meet the performance security requirement as follows:

Obtain, and maintain in full force and effect throughout the term of the agreement a performance guarantee of two million dollars in the form of cash or letter of credit or performance security bond.

Staff recommends that a performance bond be secured to meet these requirements.
